

OUR MISSION

At EA Hire Equipment our main focus is to deliver a high quality service for our customers by providing, the best machines, the best advice, and the best service and support creating total customer satisfaction.

EA Hire Equipment will deliver our high quality services in a way that reflects our commitment to our customers and the community.

EA Hire Equipment is dedicated to the consultation process and to nurture a spirit of co-operation between management and employees.

We undertake our business activities with a committed team of highly experienced professionals. We take the time to communicate with all stakeholders. EA Hire Equipment places a high value on continued improvement which helps us meet our high standards.

EA Hire Equipment takes a proactive approach to the health and safety of our employees, customers and the general public. We remain focused on responsible environmental management practices and are continually revising our approach and looking at ways to improve and maintain 'best practice' in this area.

We hold a belief that all companies have a responsibility to implement strategies to minimise their impact on the environment and at EA Hire Equipment we continually seek to minimise our carbon foot print.
